**A C#m7 D A C#m7 D**  
 Oh Lord we've failed you, As if we wanted to  
**A C#m7 D A C#m7 D**  
 and deep we've sunk into, into our sin (into our sin)

Our Lord, Your love is undeserved, and wretches, we are, we understand  
 We hate what we do and much worse, we do what we hate

**C#m7 D**  
 ...and once we lost our hope  
**C#m7 D E**  
 ...and almost we gave up

**A E/A D**  
 But Your strength works best in our weakness  
**A E/A D**  
 So here we offer you our broken hearts  
**A E/A D**  
 for evil lives we've lived concealed in darkness  
**A E/A D**  
 but still you seem to love us anyway  
**A E/A C**  
 For we are forgiven (we are forgiven)

Jesus we give you, the sin that you want us to  
 and we will know that we, we are forgiven (we are forgiven)  
 ...and once we lost our hope  
 ...and almost we gave up

...and once we lost our hope  
 ...and almost we gave up (2X)  
 but we are forgiven...We are forgiven  
 We are forgiven...We are forgiven  
 We are Forgiven
