Let our hearts beat with Your passion

**C#m7**

May the poor feel Your compassion

**E/B**

let the lost find Your loving Grace

**B**

May Your Church be so much more than just a place

We have heard of shouts of Violence

**C#m7**

**Cno3**

**B**

**A2**

and we won't stop until we hear the silence of your peace here on the earth

**E**

We have seen their bellies empty

**C#m7**

**Cno3**

**B**

**A2**

help us Lord to one day see beloved children with a feast on earth

We can taste the bitter fear,

for those whose ears have yet to hear: forgiveness waits for them with open arms

We can feel the wounds of illness, Orphans, widows wait in stillness,

for their God to use our healing hands

**C#m7 B A**

May Your King dom Come

**C#m B A**

Here on the earth

**C#m B A**

may Your will be done

**C#m B A**

Here in our lives
